APR 22 REC'D

The motto of the 1981-1982 school year of Nelson County High is "We Can". We on the Annual Staff know this is true. While we recognize the many achievements of the people of NCHS, we also realize that, without the aid and encouragement of friends and fellow students, most of these achievements could not have been accomplished. For this reason we have decided to have as the theme for this year's annual:

TOGETHER WE CAN

Together we can make things happen. As a team we can win. With the aid of our friends we can excel in our school work. Individually we may not be able to succeed, but together we can.

Spirit Week

I can do this with my eyes closed.

Bobby comes out of the closet.

This isn't the FTD Florist!

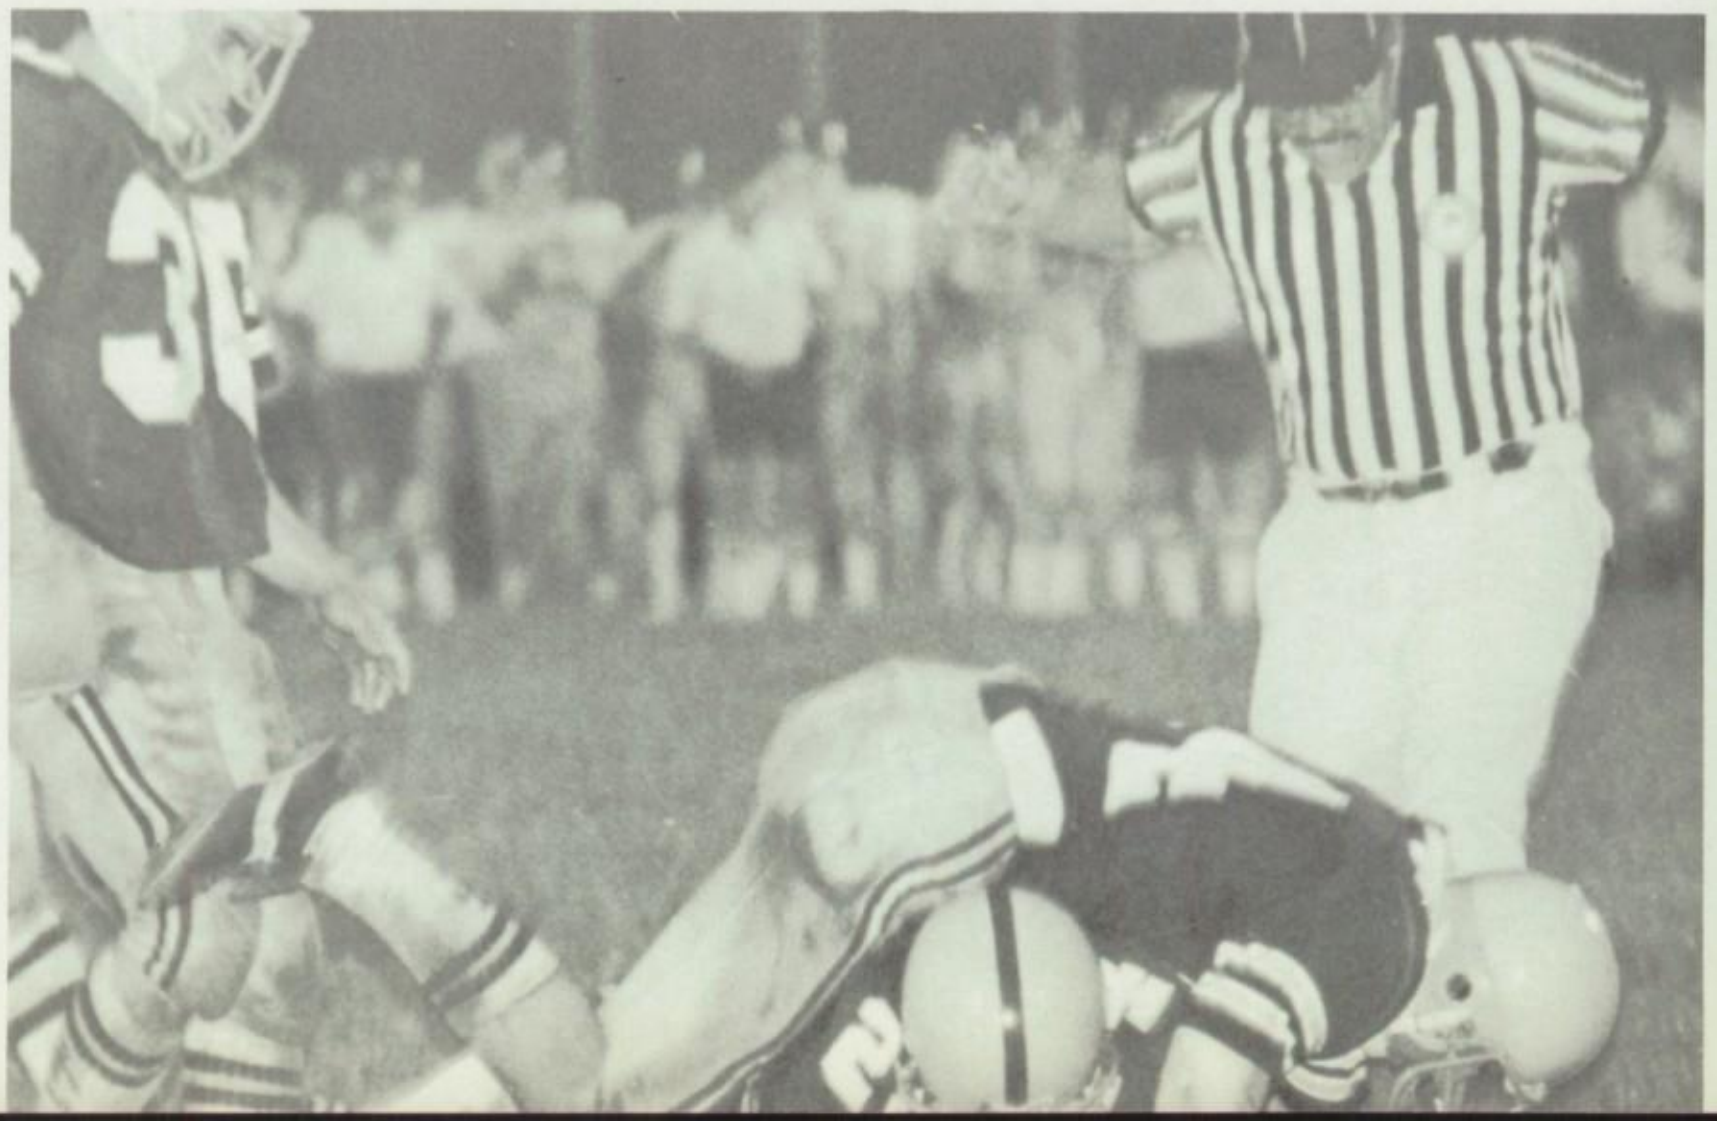
We're number one!

This year the students of Nelson showed their school spirit during Spirit Week, the week before Homecoming. Each school day the students dressed according to the title of that day. Monday was Shoe and Sock Day, Tuesday was Tee-shirt and Hat Day, Wednesday was Western Day, Thursday was Punk Rock Day, and Friday was Green and Gold Day. On Friday the students had a pep rally to show the football team their support. The spirit shown helped the team in their win over Luray Homecoming night.

This year our Homecoming was once again a big success. The football team dominated the Luray Bulldogs with a 20-6 victory. Before the game, cheerleaders and fans stood around the bonfire and cheered for our team. After the bonfire the band, cheerleaders, and fans formed a spirit line as the announcer, Mac Giles, announced the names of the football players. Throughout the game the cheerleaders' enthusiasm and spirit inspired the fans to cheer the team on to victory. During halftime the band performed as the announcer presented the Homecoming Court and former Homecoming Queen, Danita Drumheller, crowned the happy, excited queen, Wanda Sanford. After the halftime show, the cheerleaders threw footballs to the fans. Traditionally following the game, students attended the Homecoming Dance.

Danita crowns the new queen.

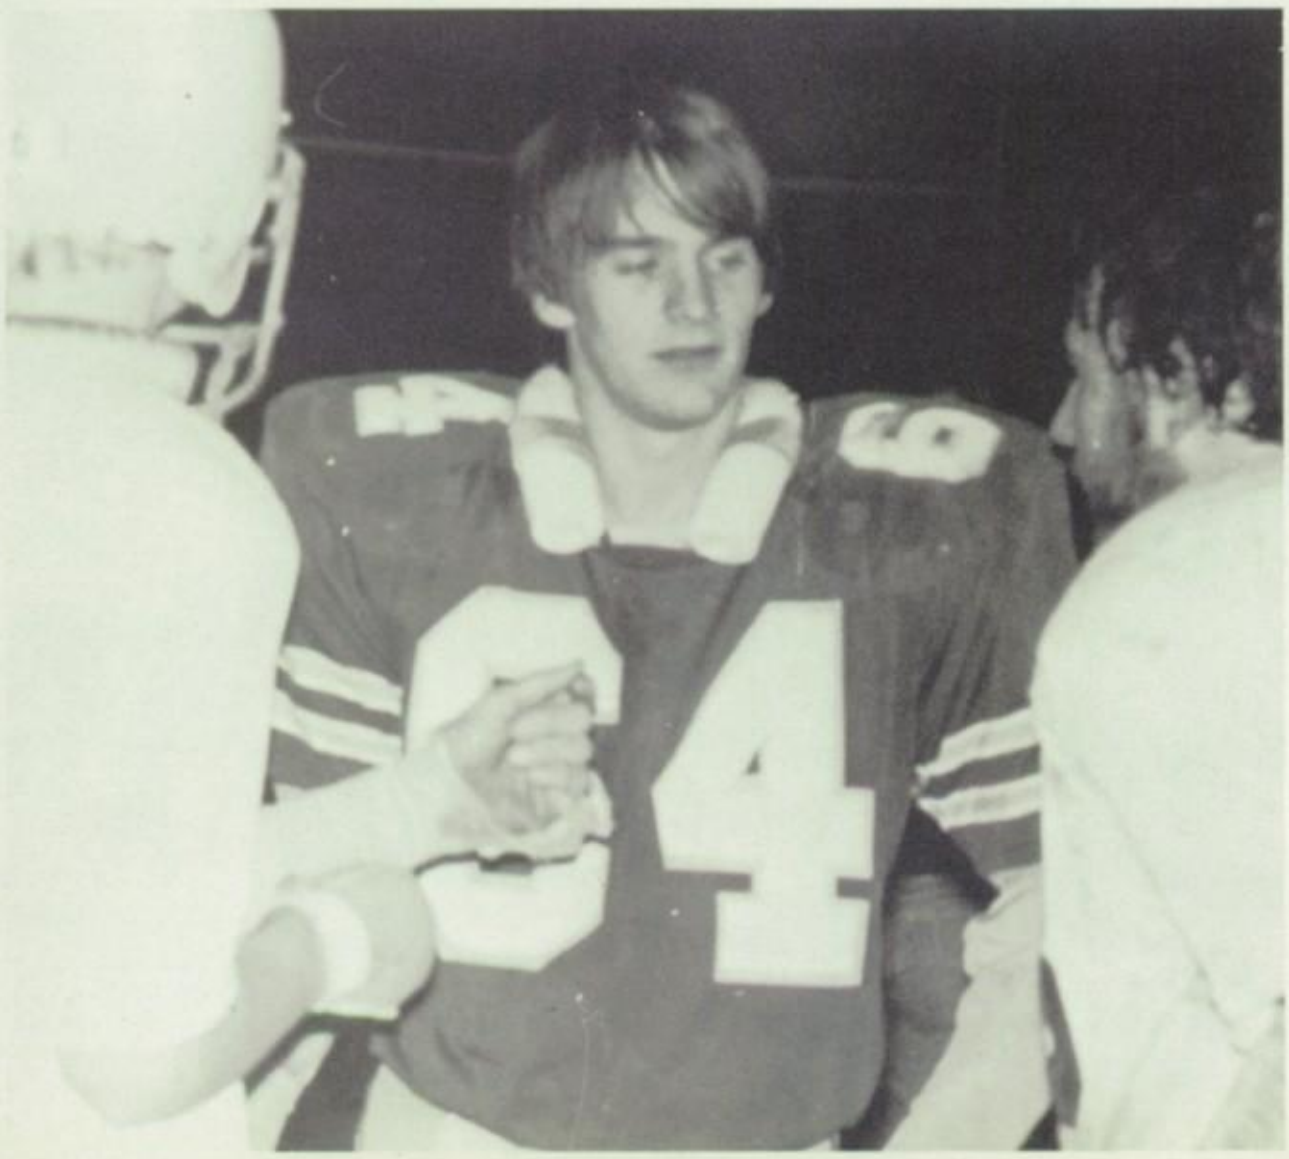
Why so solemn, Rodney?



Homecoming

Wanda is happy to hear the news!

Reach for that ball, guys!



Is Jeff in trouble?

A strong man throws a big bale of hay.

One a clear day you can see . . .

With a still night one could hear the laughter and screams of joy.

Nelson County High School students worked hand in hand with the Nelson County Jaycees in putting together the Nelson County Fair. The FFA featured livestock judging, a dunking booth, and contests such as hay-bale tossing, pulp wood throwing, and a greased pig catching contest. The Jaycees offered the children and young at heart rides and games of skill and luck.

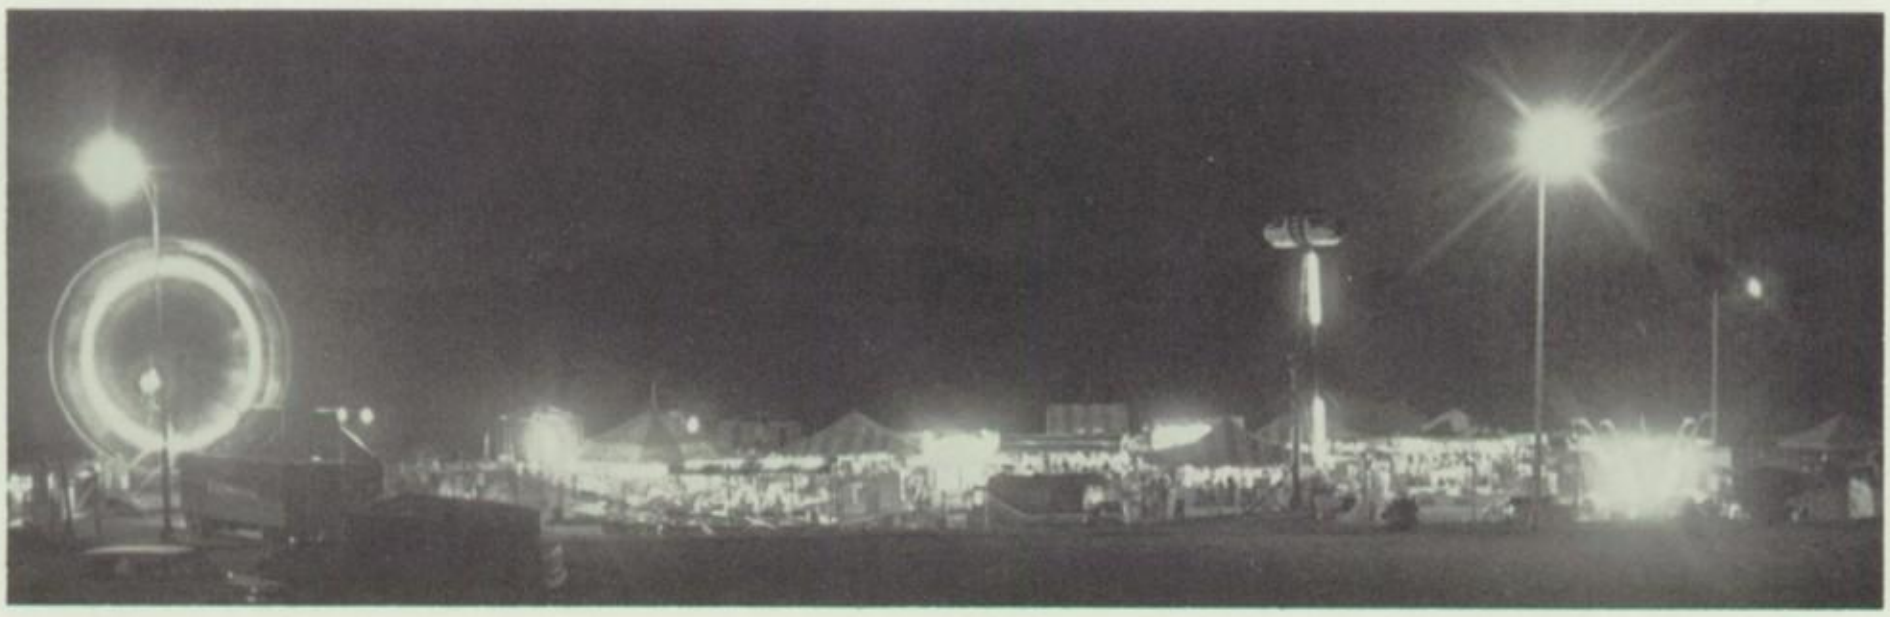
Does it really take three people?

A perfect toss everytime.

Nelson County Fair

"Maybe it will go a little farther if I jump a little higher."

"Is it soup yet?"



The fair comes to life.

Nelson County's mountains provide an excellent setting for many outdoor sports.

Cattle made up a part of Nelson's livestock industry.

To the disappointment of some, Nelson County does not have any movie theaters, shopping malls, concert halls, or any other such places. It does however, have something else that is more important to others. It has some of the most beautiful scenery to be found. Every direction that one looks, he will see beautiful mountains, colorful trees, and clean rivers and creeks.

These provide many things to do such as hiking, camping, swimming, trail riding and many other outdoor activities.

Farms are an important part of Nelson's livelihood.

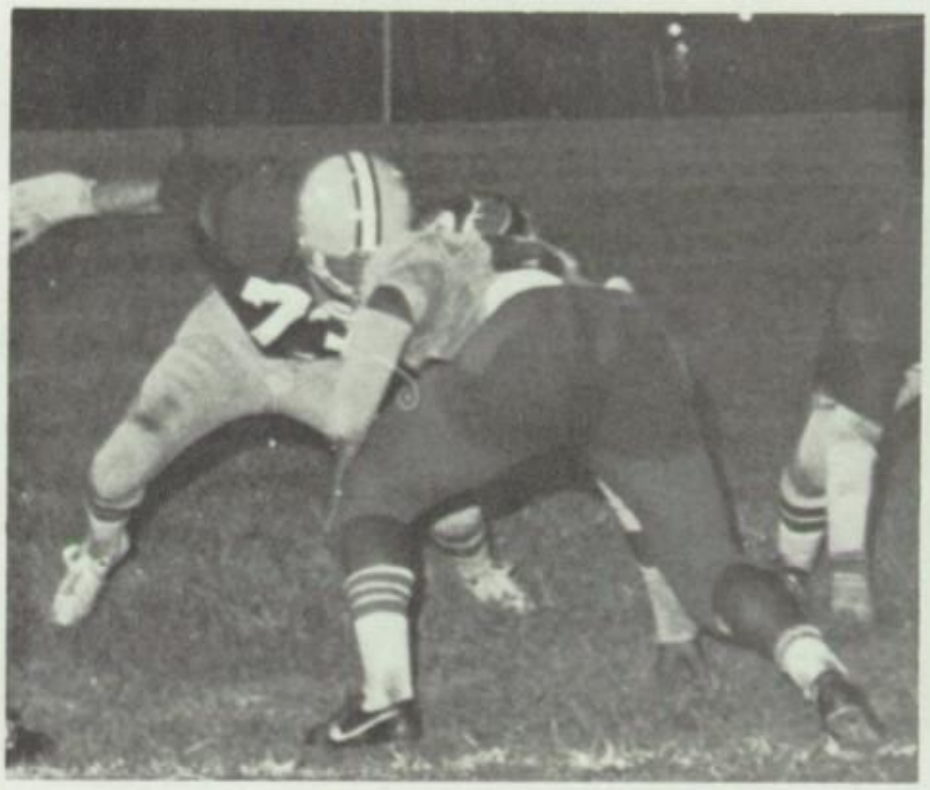
Old houses throughout Nelson County tell stories of yesterday.

Hard At Work

Go for it, Edmund!

Glen's famous pitch!



Hold that line!

Give it your best shot, Henry!

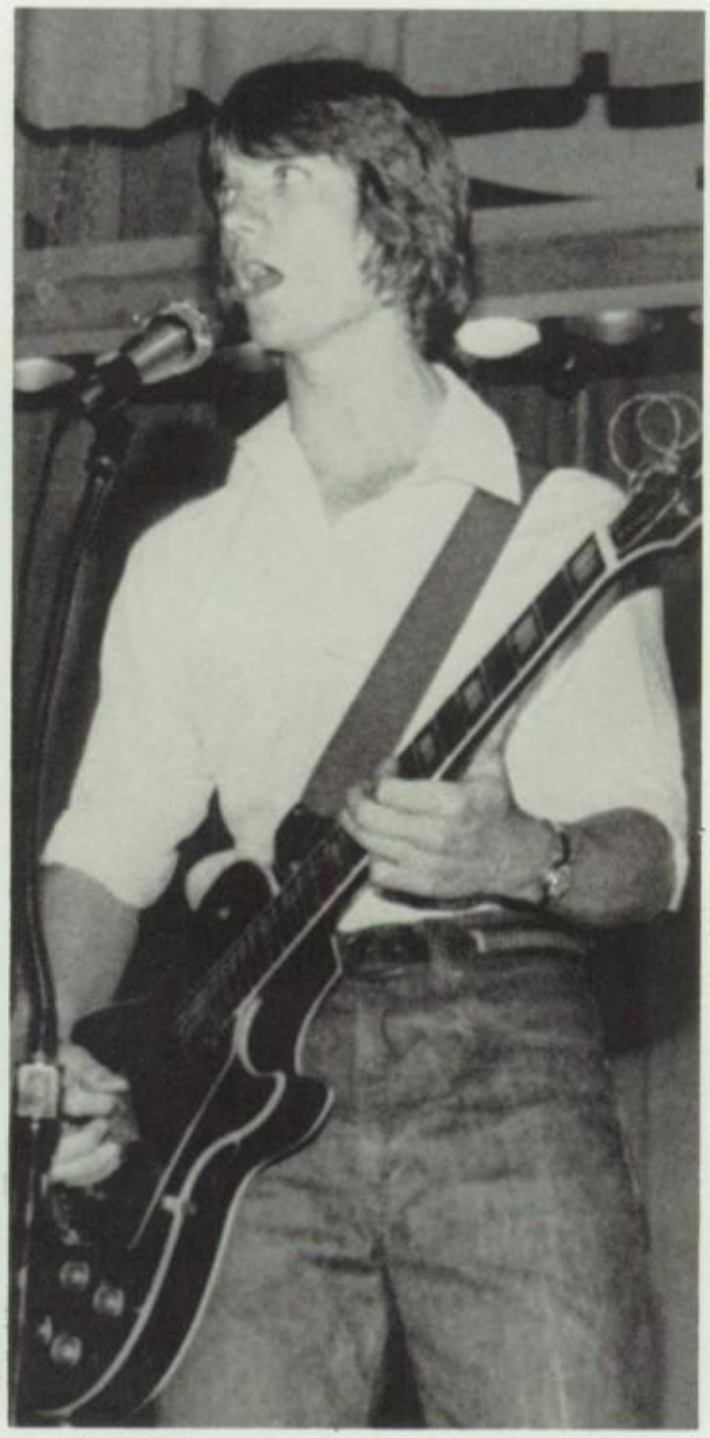
Did I hit that . . . ?

Practice makes perfect! Practice is an important part of the success at N.C.H.S. It takes a lot of time and effort to have a good practice session. There are lots of times when participants have other things to do but instead stay for practice. Practice consists of running, thinking, and exercising. So far everything seems to work during our practice session. We hope it will continue to work for us here at N.C.H.S.

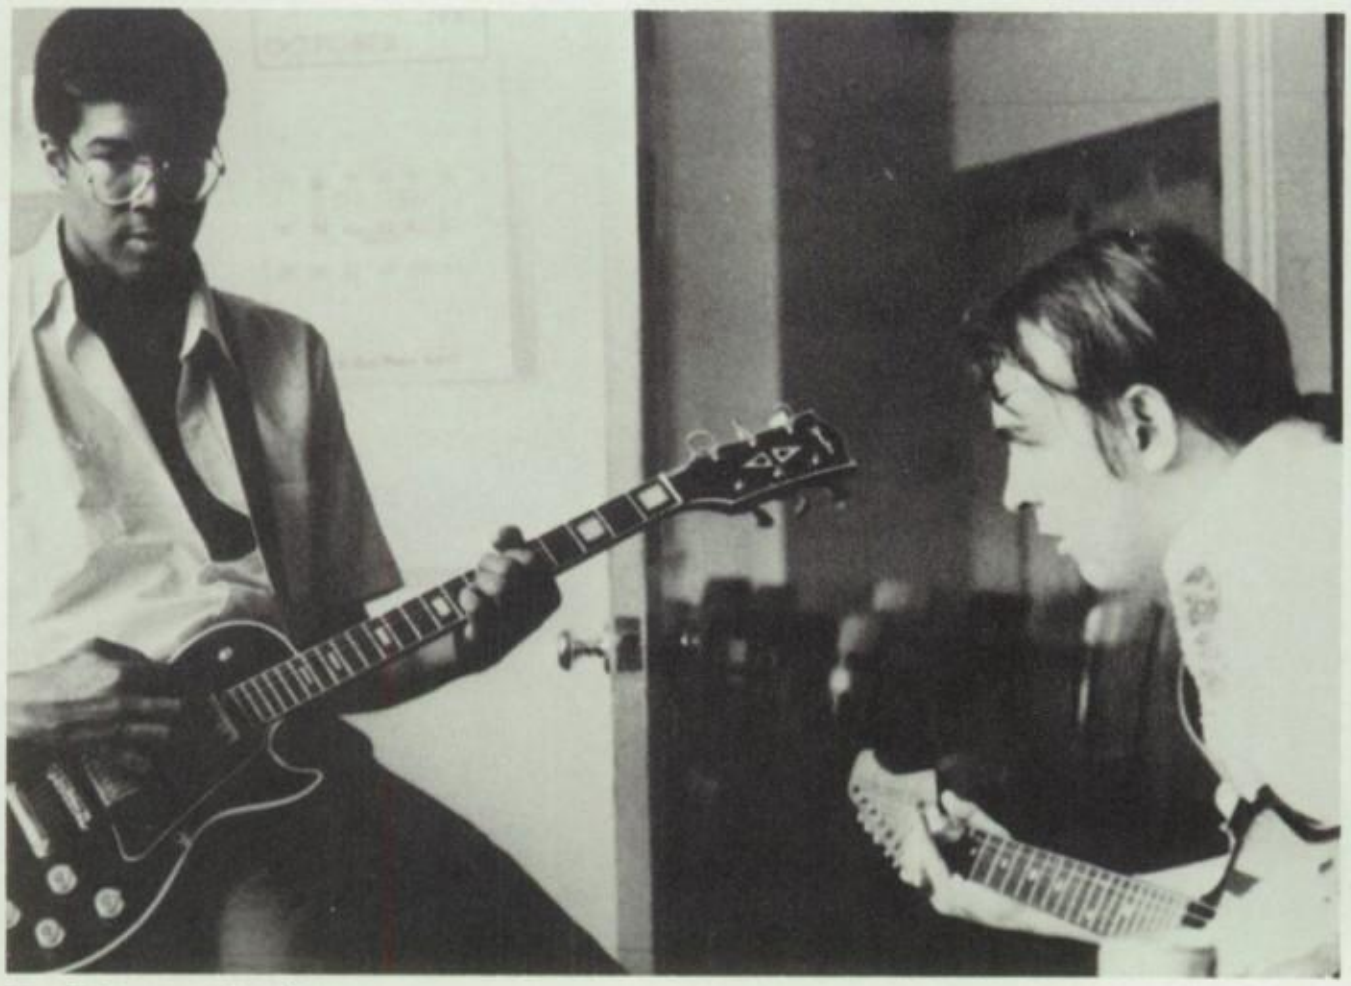
Next time, get it right!

Billy shows his power!

Long live Country.



I forgot the words.



The Rhinestone Cowboy.

That was supposed to be a D.

In the Navy . . .

My mind is on something else.

Too many instruments and not enough players.

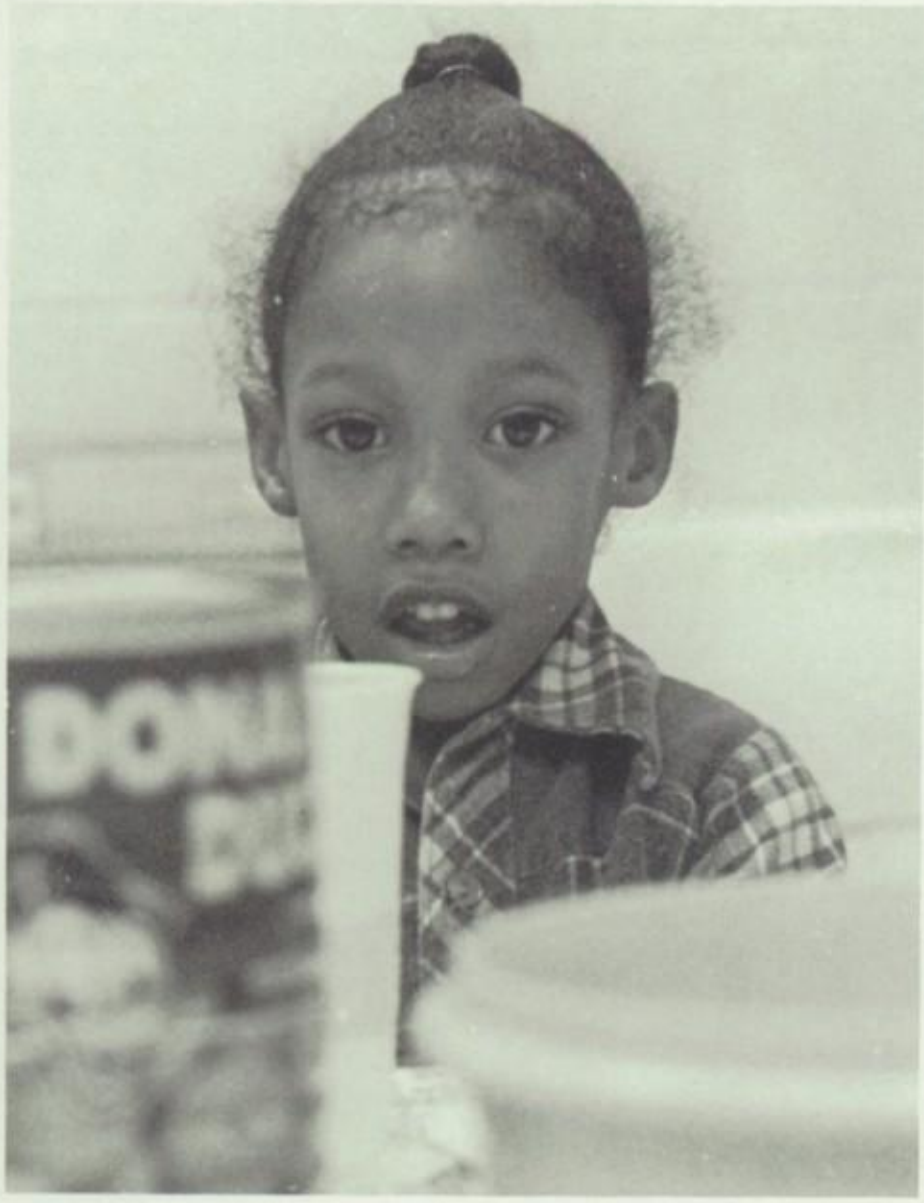
Catch that Pepsi spirit!

The Prep Class of Nelson County High School deals with child development at a pre-school age. In addition to the work they do in class, they participate in several activities. Last year, on Mothers' Day, they went to the horticulture class and planted spider plants for their mothers. They also visited the cosmetology class and had lunch in the Hideaway. At the beginning of the school year, the Prep Class, along with the prep aides and teachers, went on a field trip to Charlottesville where they went swimming and visited the SPCA. They also had a Halloween party, and at Christmas, they made refreshments and ornaments. They have not yet planned any field trips for this year.

Here's looking at you, sweetheart!

Wonder if that really is a tooth back there.

Charm starts young.



I'll drink to that.

Let's get down to business.

People At Work . . .

People actually eat this stuff?

What do I do with it, Boss?

You put the bread on the bottom, right?

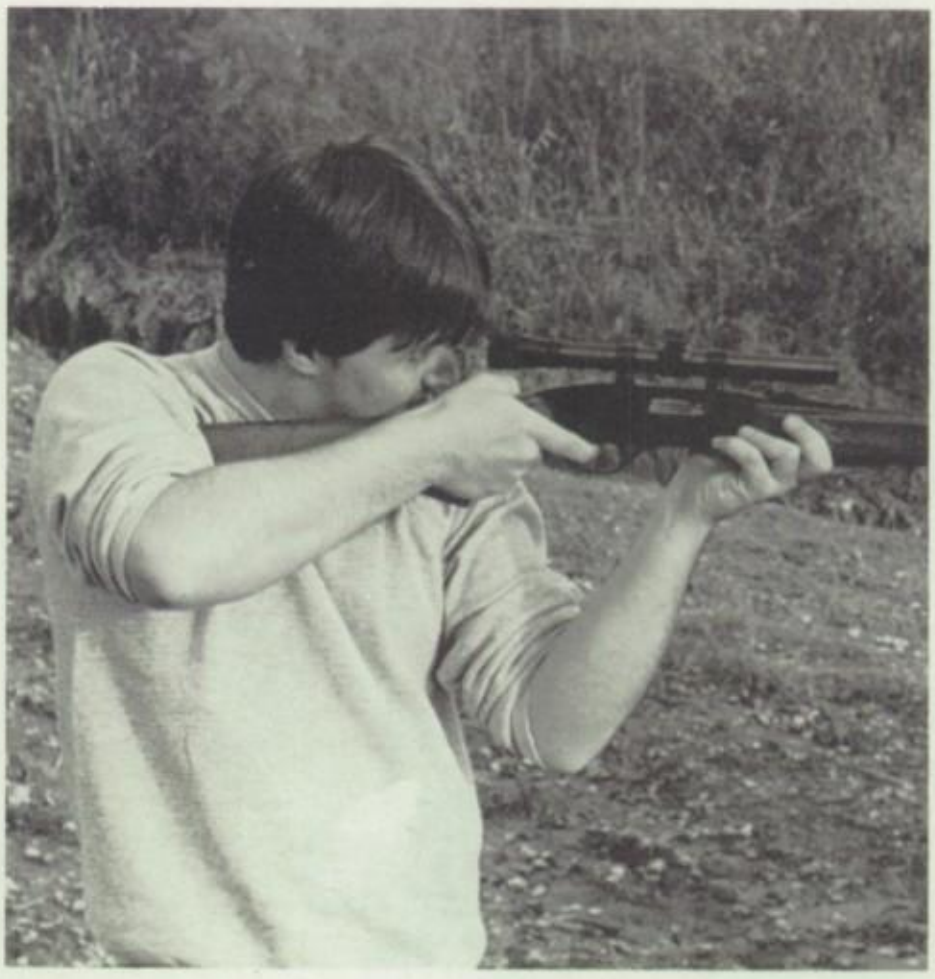
That does not compute.

. . . And At Play

Ray's new Tonka

Whee!

Come to me, darling!



I'll waste you, silly wabbit.

Dancing To

I have got to get out of here!

Bobby and Sharon look happy?

Teachers do it, too!

The Beat

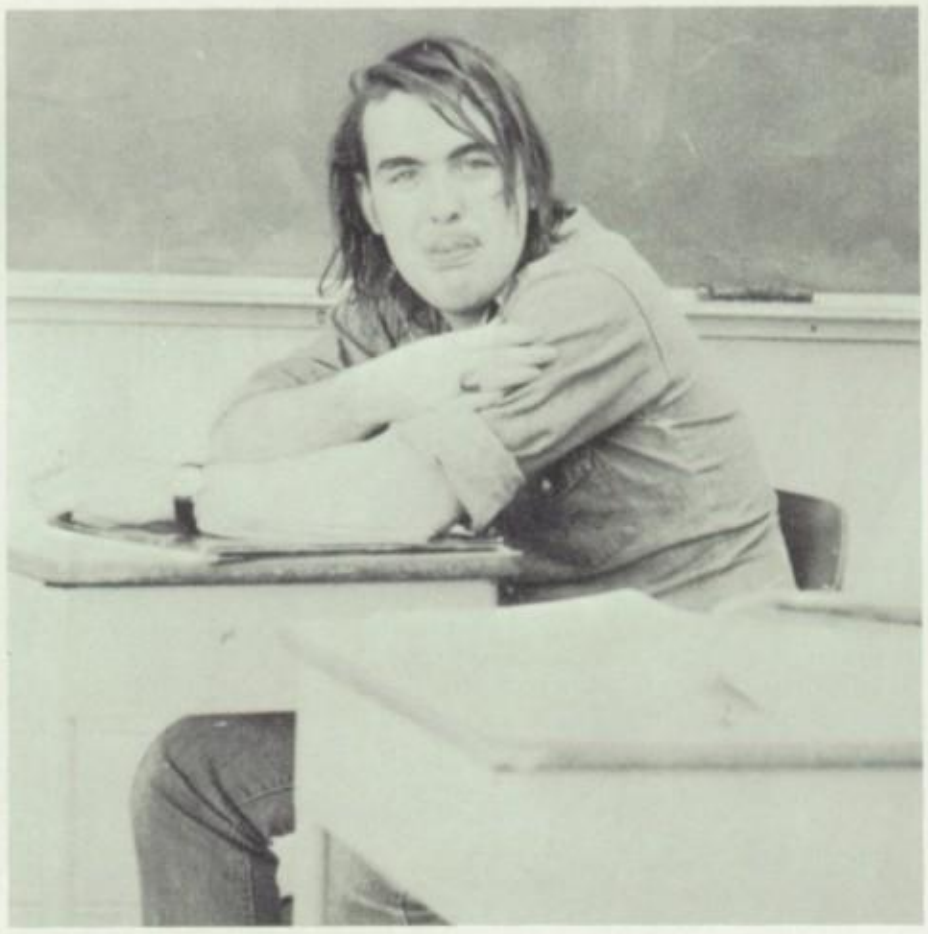
Come on, I dare you.

What? A deadline today!?!

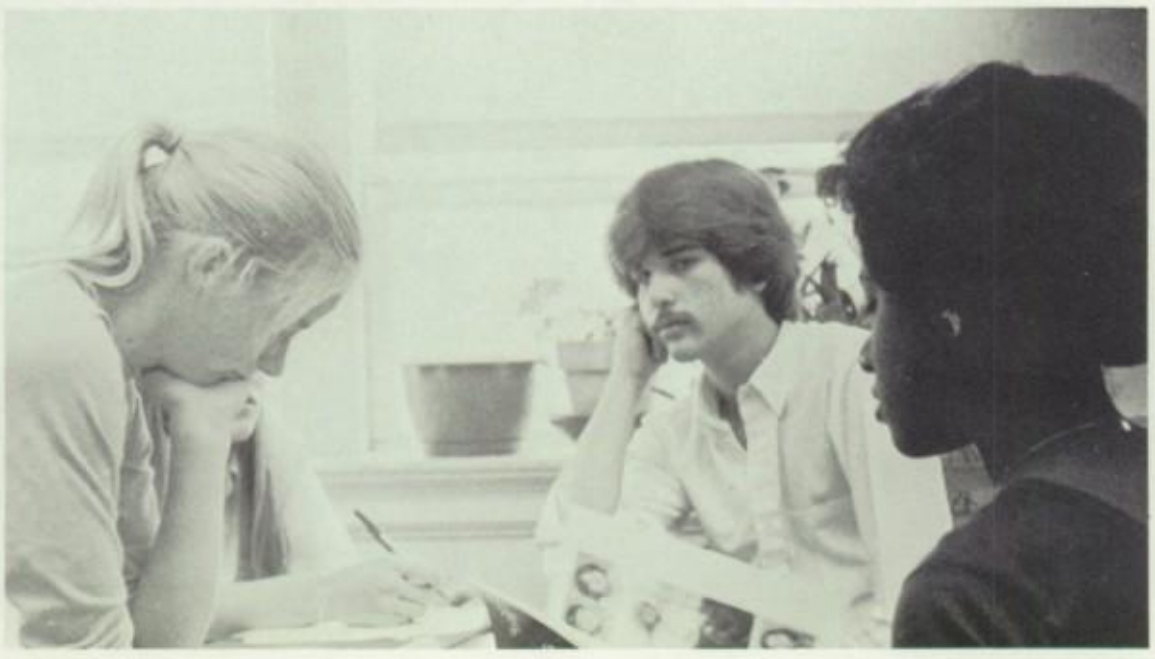
. . . Kenneth, I'm not that type of woman.



Pucker up, Mrs. Bruguiere.

Lift that bale . . . Draw that layout!

Two + Two equals . . . four.

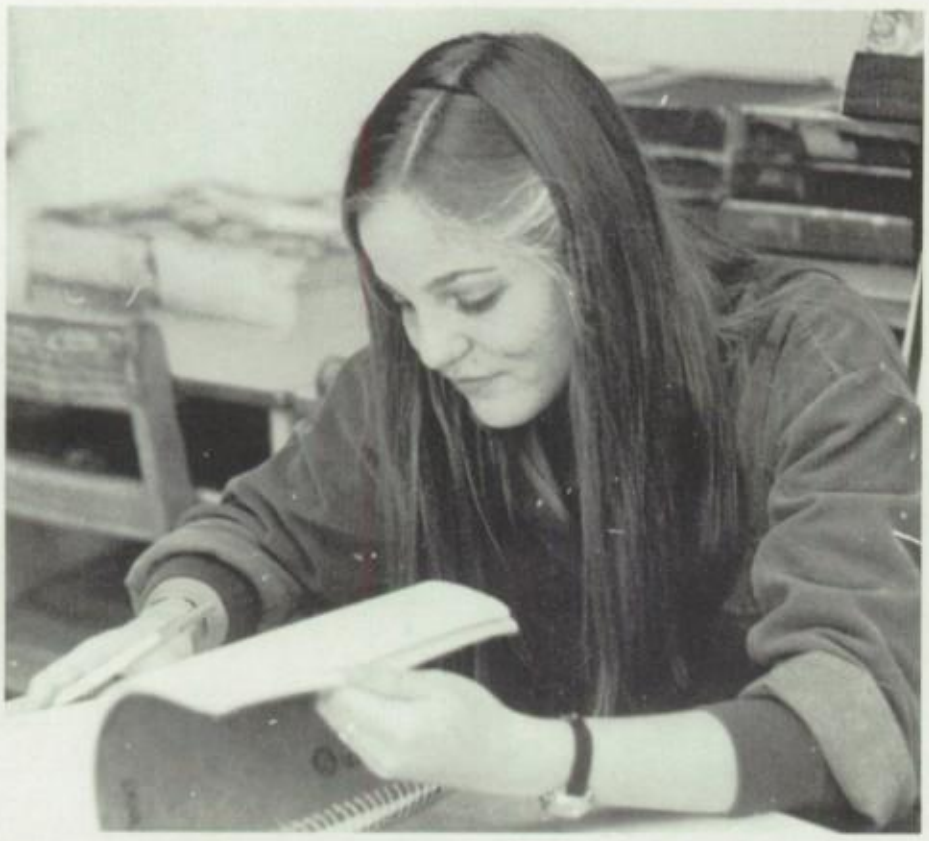


If looks could kill . . .

The yearbook this year, with only two sponsors and three veteran members and aided by 19 new members, turned out to be a harder task than many expected. Mrs. Bruguiere and Mrs. Sprinkle, the sponsors, and Judy Woodson and Mark Mattson, co-editors, and Debbie Hamilton, an experienced member, had their hands full explaining the workings of a yearbook to the unexperienced journalists.

The pictures were provided by photographers Daniel Stein, Mark Mattson, Derek Moyer, Jaimie Campbell and Kenneth Wilson. Many others took pictures also, which were, for the first year in many, printed and developed here at schqol.

The members of the yearbook staff appreciate all the help given to them by everyone.



Wonder what Donna could be interested in?!

Faye appears to be working, but that's a laugh.

The Choral Department at Nelson County High is one of the most active groups in the school due to Mrs. Delores Truesdale's directing. Perhaps the biggest and most exciting event this year is a trip to Texas where the chorus will perform in the Six Flags over Texas Festival. Another biggie will be NCHS hosting the 1982 Junior Regional Chorus with 24 schools participating.

The Choral Department is divided into Chorus and Pop Chorus. Chorus deals with singing, Pop Chorus deals with movement and some singing.

In addition to the annual winter and spring concert by chorus, the Pop Chorus will also present a concert to the student body.

The NCHS Dinner/Fashion Show was one of the fund raisers held by the Choral Department for their trip to Texas. Another fund raiser was selling Fruit Fragrance Liquid Soaps. The top seller was senior chorus member, Alvetta Turner, who sold 91 bottles.

The highlight for this year's FFA was the trip to Kansas City, MO., to pick up a national award for their "Building Our American Communities" project, the County Fair. The FFA also participated in many contests such as small engines trouble-shooting, forestry judging, parliamentary procedures, public speaking, tractor driving, crop judging, livestock judging and farm business management.

Many of the FFA's projects included working with this year's County Fair, completing the Wood's Mill Wayside project, cutting firewood for the elderly, sponsoring a school-wide canned food drive, and the annual Christmas tree sale. The FFA also presented programs to many civic organizations in the county.

The Future Business Leaders of America is a club for students who are enrolled in business classes. These classes range from general business to the more advanced block classes which lead to jobs in business offices.

FBLA is a club designed to help students establish careers in business occupations. FBLA members are encouraged to participate in projects which contribute to the school and community.

The club's goal this year is to become an Honor Chapter by working on various projects. This year FBLA adopted a family at Christmas and prepared Thanksgiving food baskets for needy families. The club also sponsors a Walk-a-thon for the March of Dimes each spring.

SCA

The main objectives of this years S.C.A. were to get the students working together by sponsoring school functions for the benefit of the student body. Some of their accomplishments have been showing a full length movie, conducting a candy drive, and getting locks for the lockers. One big event was the Christmas Dance which was successful. The money the S.C.A. gets goes to the aid of the students. The S.C.A. has become a major link between the staff and student body.

HOSA, led by Mrs. Eggleston, is a very active group. Their activities seem to be centered around helping with the future of many people. Their main activities are two blood drives within the school. At a lot of their meetings they have guest speakers. These guest speakers usually talk about medical careers or other health related topics. The members don't always get to sit down. At one meeting they had a real work-out doing aerobic dancing. HOSA seems to be a well balanced group striving for a worthy cause — a healthy future for all.

Debate

"Debate demands a tremendous amount of dedication," says sponsor James Coates. Dedication was in abundance this year as the debate team prepared and presented their cases on the year's topic — "Resolved that the Federal Government should establish minimum educational standards for elementary and secondary schools in the United States."

The team showed their dedication by the amount of time spent on Saturday trips to Richmond, James Madison, VMI, George Mason and other tournaments. However, they won't have to travel for this year's district or regional meets, since the meets are being held at Nelson.

There was a first this year for debate as members with letters were given the opportunity to buy jackets.

This is fun!

The FHA chose a theme to go by this year which is "The Shape of Things to Come". The members work toward degrees of achievement under this theme. The degrees are to be completed by April.

This year the club has had the following activities: a rock concert, Christmas party with HERO, several bake sales, fashion show, and an Easter egg hunt with the prep children.

Under the sponsor, Nancy Parr, and the officers, Pres. A. Miles, Vice Pres. L. Spencer and Y. Ross, Sec. T. Glover, Treas. B. Kurtz, Rep. R. Tilman and Historian A. Zirkle, the club has had a successful year.

Drama

A year of progress, and a wish becoming reality have built confidence among the actors and actresses in Drama.

A Drama Workshop (including the plays "Not Enough Rope" and "The High Window.") was presented shortly before Christmas break. These presentations were to let the students know what's being accomplished by the drama class, says Carol Clatterbaugh, participant in the work shop. Unlike other plays the audience was allowed to talk to the actors and was able to comment on the production. "We felt we made a successful effort and received a wide response at the end of each play," says sponsor Peter Hauschner.

Their most recent project includes the rewriting of Oedipus Rex, an ancient Greek tragedy.

The students themselves wrote the play, wrote lyrics to the songs, made costumes, and handled total production.

This day is not going to be like I expected.

Agape is Greek for Christian Love. Agape has many yearly activities including having a Christmas party, attending Christian Camp, and going to see the movie Jeni. During the year various ministers come and talk to the club about different aspects of life.

Through these activities the club members grow very close, and the club tries to unite all people by showing their love to their fellow man.

Band

The Marching Governors, with their new band director, Mark Brown, at the helm have continued their winning tradition. At this year's Virginia State Fair, the band came away with a third place trophy and the color guard received a second place trophy for their performance. For their field show at the Trojan Invitational, in Tunstall, Virginia, the band brought home another third place trophy. The band also traveled to Old Dominion University where they marched away with a fourth place finish. The band's Christmas parade schedule took them to Amherst and Waynesboro, where they won two first place trophies. The band was later invited to Governor Charles Robb's inaugural parade, but due to inclement weather, could not attend. Mr. Brown described the 1981-1982 season as a "building year" and promises that next year will be even better. The band's recent invitation to participate in next year's World's Fair at Knoxville, Tennessee, should be an indicator of things to come. The drum majors this year are John Depiro and Kelly Wood. Band members are M. Allen, S. Amos, D. Ashley, E. Ashley, H. Barnett, S. Bishop, P. Bond, C. Bryant, D. Bryant, V. Campbell, K. Carroll, R. Coates, M. Coles, A. Coss, J. Coss, R. Glass, J. The display of piñatas at Christmas

La piñata es diferente, ¿no?

The Spanish Club, sponsored by Mrs. Tucker, was very active this year in meetings as well as in classes. They celebrated many Spanish customs at Halloween and at Christmas. The Day of the Dead, a Halloween celebration, was recognized by a visit to the graveyard. During the Christmas season, classes made many decorative pinatas, which were broken during the celebration according to Spanish tradition.

Janet Raynor spoke to the Spanish Club about her experience as an exchange student in Switzerland.

During activity periods they sponsored a Family Feud game and the annual Spanish vs. French Basketball game.

French

The French Club is doing many interesting things this year. Earlier in the year we sponsored a family feud during activity period and we have just recently played a basketball game against the Spanish Club. We are currently trying to raise the money for a trip to Canada in the summer of 1983. We are also planning a type of Mardi Gras banquet for the spring and possibly a bake sale in the near future.

The Art Club of Nelson County High School was formed last year by students interested in painting murals in the art area.

Our activities this year included sponsoring a karate demonstration, making Christmas presents, having a Christmas party, decorating a car and trailer for the Homecoming game.

The Art Club is sponsoring a show of Nelson County youth art in March as part of the National Youth Art celebration. Work will be displayed at local banks for one week.

A trip to Richmond is planned in March for art students and club members. We will visit the Virginia Museum and Virginia Commonwealth University.

The Art Club is presently involved in designing murals for the school cafeteria.

The National Honor Society is an organization that gives special recognition to those students that do outstandingly in the areas of character, citizenship, leadership, and service throughout the school and community. To be a member, a junior must have no grades lower than a B and a senior must receive no more than one C.

The society plans to give a scholarship to a senior who is going to college. Also, working with the guidance department, members planned to tutor any student who needed help.

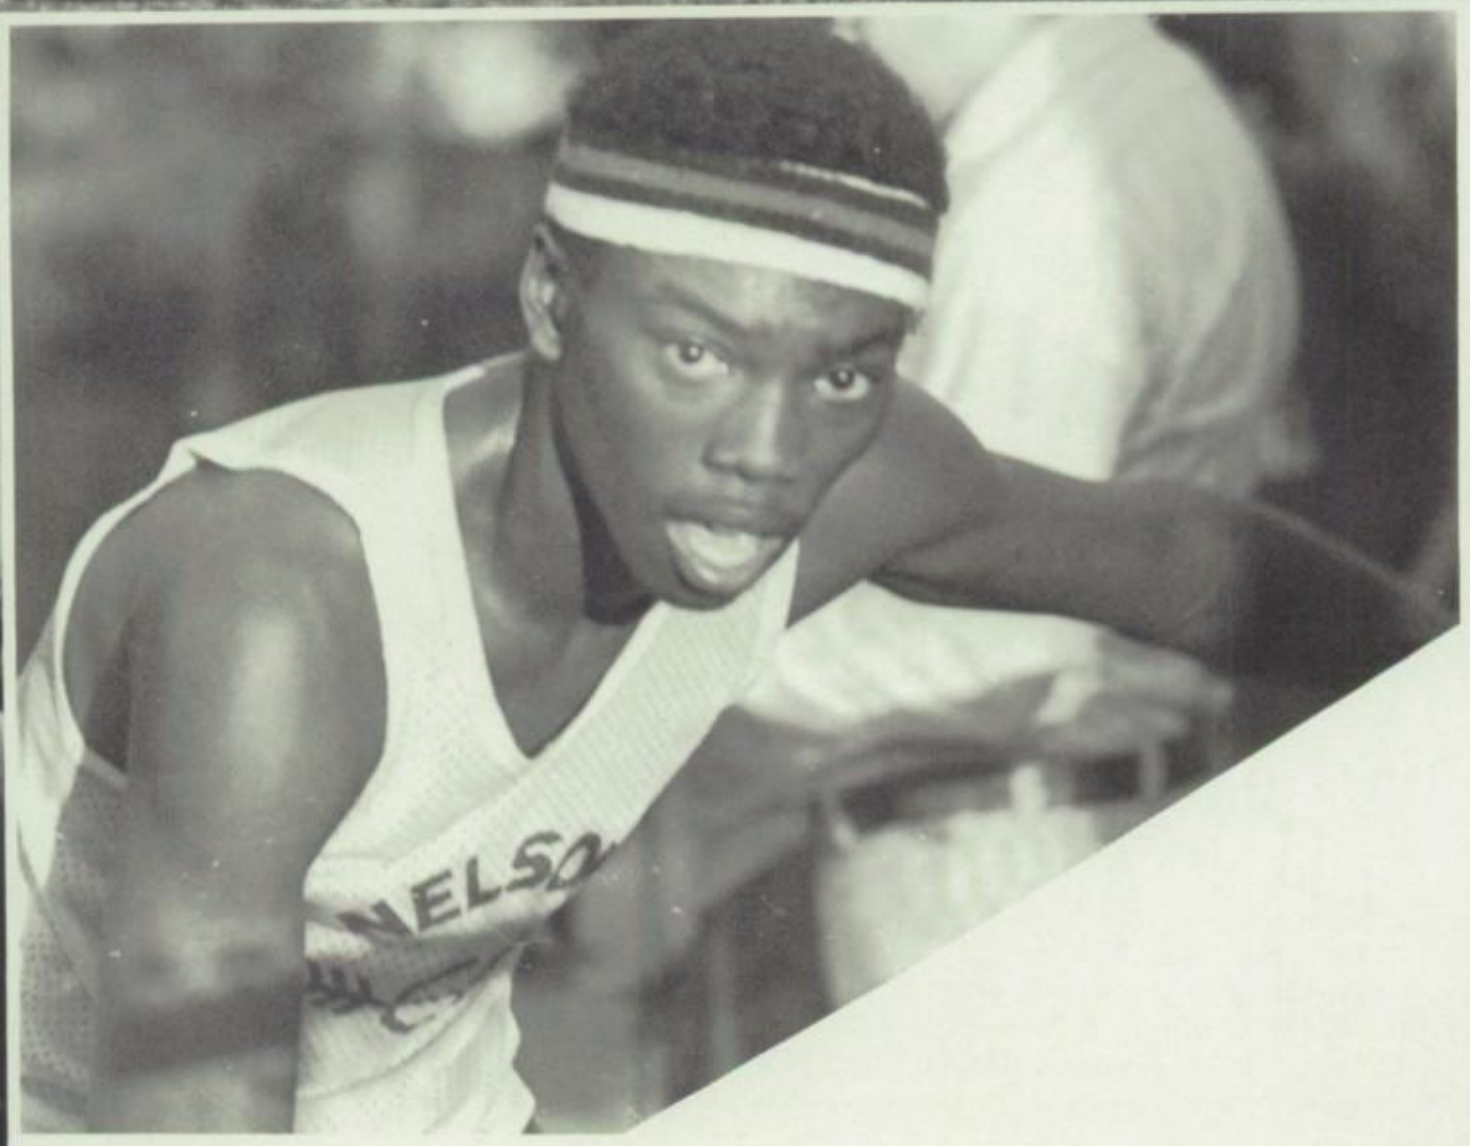
SPORTS



Varsity Football

The 1980-81 football team had their best season since any of the present students have been in high school. They achieved a 5-5 season. While this was not their goal of 7-3, they did meet their other goals. Because of their powerful offense, they outscored their opponents for the year by putting the needed points on the board. Also their devastating defense attained two shut outs and held no. #1 William Campbell to only 14 points and only losing by 2 points. The Gov's will have a tough time rebuilding next year with nine seniors leaving the defense and seven leaving the offense. However, with the returning juniors and sophomores, together with the J-V talent coming up, next year should be even better.

Thanks guys. I think I can handle it!

After one year of player experience, the coaching staff consisting of William Gouldthorpe (head coach) and Davy Camden (assistant coach) and the eighth and ninth grade players had a rewarding 6-2 season.

This season's most valuable players on offense are Ricky Massie — Most Valuable Back and Horace Spencer — Most Valuable Lineman.

Giving the team its outstanding power and heading the defensive squad were Most Valuable Lineman — F. G. McGann, and Scott Clarkson — Most Valuable Defensive Back.

The Most Improved Overall award was received by Wayne Helbert and first time winner of Outstanding Games Played was James Miles.

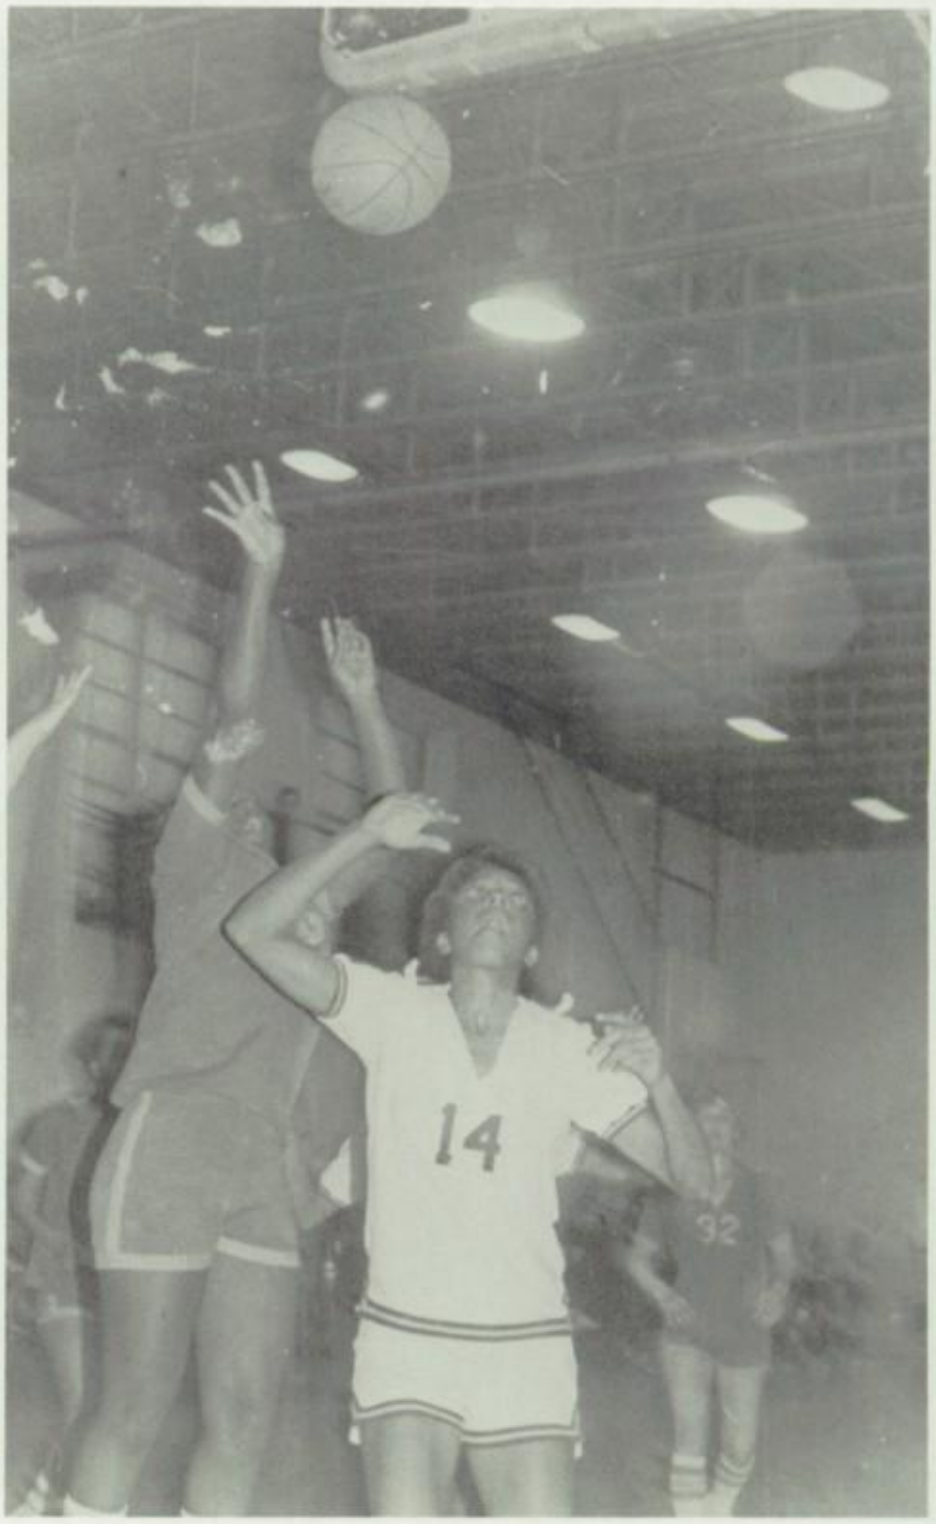
You got to go for it!

The Girl's Varsity Basketball Team suffered from the loss of many experienced players this year. Although this loss proved to be noticeable it didn't stop them from winning several district games. The team is looking forward to next year's season, even though they will miss this year's seniors, Freda Davis, Brenda Paige, and Toni Harris. Head coach Willie Gray and Assistant Coach Debbie Witmore surely did an excellent job of coaching this young team which will mature into real winners in 1982-83.

Hang on in there!

I GOT IT!



Watch back! I got the rebound.

Reneé rebounds for Nelson.

This is harder than it looks!

The Girls' J.V. Basketball Team has really improved this year. The girls led by their new coach, Cynthia Marks, built a strong defense. One important thing the girls learned is that there is no "I" in the word TEAM. The coach was really impressed with the team overall. This year they won five out of thirteen games and expect an even better season next year.

Cross Country

Youth and rebuilding characterized the Nelson County 1981 Cross Country Team. After losing all seven lettermen from the 1980 team, Coach Richard Greene spent preseason practices trying to find and train new talent for the coming year. The results were heartening, as the Governor harriers matured and developed well during the season.

Early season meets included many non-district foes, as the Governors traveled to Western Albemarle for a five team meet and run in the UVA and Lynchburg College Invitationals. Later district meets proved tough for the Governors, as they posted a 1-4 record against Seminole District teams.

In the district meet, senior captain, Gilbert Martin, proved that he could run with the best; he finished second in the race. The finish earned him All-District honors and helped him gain the Most Valuable Runner award at Nelson fall sports banquet. Jr. Co-captain David Angus finished 11th in the district meet and, with Martin, qualified for the Region III cross country meet.

Underclassmen made up the remainder of 1981 squad. Junior Barry Bryant, sophomores Jay Reid (most improved runner) Bernard Carroll, and Mark Campbell, and Freshman Mike Cash will return next year as lettermen. JV runners Randy Hall, Ricky Bryant, and Roger Cash should provide needed depth.

Cheerleading takes a lot of spirit, work, coordination, and dedication. The J.V. cheerleaders inspired spirit at games, in school, and at pep rallies.

They help the varsity squad during spirit week, homecoming, and selling programs at the home games. This bunch of spirited girls traveled with the boys' J.V. Football Team and girls' J.V. and Varsity Basketball Teams.

The Boys' Varsity Basketball Team has a very successful season with 20-4 record.

The team's standing was first in the Seminole District, and they are looking forward to going to the Regional Tournament. NCHS Boys' Varsity Basketball Team was ranked fourth in the state.

Much of the team's success was due to the coaching of C.M. Price and assistant coach, Willie Gray. In fact, this is the best season Coach Price has had in his thirteen years of coaching.

The captains are M. Martin, T. Martin, K. Haywood, and P. Henderson. Although all the captains are seniors and will be missed next season, there are many underclassmen who will fill their jerseys.

P. Henderson, M. Martin, and T. Martin were the highest scorers. P. Henderson and M. Martin are also the highest rebounders.

Led by Hock, Poot, Mouse, Peach, Skeets, Mummy, Rim, Grady, Bird, Harris, Bunchie and Woot, the 1981-82 J. V. Basketball team with excellent defense, fast breaking basketball and a "family" attitude had a very successful season. From November 1, 1981 the team ran quick sprints, shared Pepsi's and rode the bus with the cheerleaders ("allright"). Coach Camden's always correct advice has made the team very good prospects for the varsity squad next year.

Volleyball

Coaches Marks and Mestro discuss the situation.

Petis feels her tongue has a lot to do with her bumps.

The Girl's Volleyball team this year has undergone many changes. The changes have been quite successful. The new head coach, Vicki Mestro, and assistant coach, Cynthia Marks, have shown that a young team can work together. Although the season is only half way through, the team has broken a seven year losing streak. They plan to continue the new winning streak for years to come. However, the team will be losing four seniors this year. They are Judy Woodson, Beverly Harvey, Linda Hutcherson, and Michele Foster.

Golf

Winning seven out of their nine meets, the golf team was very successful this year.

The team started the season well with the first win against William Monroe. The next two meets were disappointing losses to Altavista and Amherst. However, the team bounced back by winning the last 6 meets, and setting many Nelson High School records.

In the district meet, which was held at Winton Country Club, the team finished second to Altavista, the highest Nelson had ever placed in a district meet.

The Regional tournament was held at Ground Hog Mountain in Meadows of Dan, Virginia. The 80-81 team was the first Nelson team to go to the Regional tournament. The team finished with the best record a Nelson team has had.

Varsity Baseball

The secret to a successful baseball season is team work. The 1981 Varsity Baseball Team learned this secret to end the season with a glorious eight wins and six losses.

With the combined efforts of the best pitcher, Glenn Page, and the best batter, Billy Ashley, the Governors ended the season successfully. Gary Sites was the Most Valuable Player while James Giles was the Most Improved Player.

Even with these outstanding players the season would not have been complete without Tommy Allen, Norman Durrette, Jeff Ferguson, Leroy Kiser, Lawrence Randolph, Greg Pugh, Jody Hobbs, Johnny Painter, Danny Crouch, Brian Stevens, Randy Hite, and Kevin Drumheller.

A double for Leroy Kiser!

Boys' Track

Under the able guidance of head coach C.M. Price and assistant coaches Richard Greene. Tinch Campbell, Tim Crawford, and Billy League, the Governors track team achieved an 8-2 season. They attained this improvement over last year and became the most VICTORIOUS team of the year through the noble efforts of Danny Kennedy, who was regional champion of the high jump, and Jimmy Amos, who was a regional champ in the shotputt. Also, Mike Baker received a first place in district in the 8:80 yd. run. Percy Morse received second place in district in the 400 meter dash. The Governors placed 4th overall in the district meet. The team looks forward to another successful season.

Hey what can I say?

Please, no applause.

Legs don't fail me, now!

I can't believe I made it.

The Girls Track Team had a very successful year. Coach Denise Flora was pleased that a majority of her girls qualified for the district and regional meets. The Lady Governors hope for another good season next year under a new head coach since Coach Flora left after this year.
